Coming in November...

*On **Sunday 1st November** both the 9.30am Family Service at St Laurence and the 11am Family Service at St Augustine's will be the special annual '**Toy Services**', when we ask families to bring to church any unwanted new or good quality used toys which can be distributed to children who are less fortunate. We have always had a fantastic response to this and families have been very generous with their donations, so once again, please have a look through the toy cupboards and see what you can give. Thank you.*

Also on Sunday 1st November will be the **FOSTA Service and AGM**
at 2.30pm at St Augustine's, Church.
